

Benevolence at its Best!

Joseph's Storehouse

*through the circumstances of life
the church will be there*

Joseph's Storehouse is Benevolence At Its Best! We gather and store "like-new" furniture and household items, and then distribute our supply to people who have experienced a crisis (victims of fire, a catastrophic event, or domestic violence). Our goal at Joseph's Storehouse is to quickly come to the aid of the Kingdom Life Christian Church congregation and our community when they are presented with the suddenness of an emergency situation, and restore some of what they lost - renewing the feeling of security, comfort, and home.
