*Come and  
be blessed!*

Whether you have a strong successful marriage, but you're looking to sharpen your tools; a marriage that's slightly broken and in need of some repair; a desire to simply engage in healthy fellowship with other married couples then join us for FUN, FOOD, AND FELLOWSHIP; and, of course MARRIAGE ENRICHMENT!

We gather together regularly to help motivate each other to continually strive for and experience God's best for our marriage. Marriage Enrichment is achieved through ENRICHMENT CHALLENGES, FUN ACTIVITIES, PRACTICAL TEACHINGS AND PRESENTATIONS, and GLEENING FROM OTHER'S MARITAL SUCCESSES.
